Alvin (Mickey) Mikulecky

Mickey Award

The Mickey Award is given by a unit to a person who demonstrates service in their unit. This is not a District, Council or National Award, but presented from the hearts of fellow Scouters to thank those for all they do for Scouting in their unit. Alvin (Mickey) Mikulecky was a volunteer who you could always count on. He was well known for his skills in leatherwork. At Scout Day, Cub Scout Day camp and at other events, he would bring all the needed materials for Scouts to make special projects out of leather, all of which came out of his own pocket. He was part of the Cub Training Team and demonstrated to others that Scouting is fun!!!

All nominations are due at the December Roundtable. This award will be presented at the Rio Hondo Annual Awards Dinner. Check RioHondobsa.com for the District calendar. The dinner is usually held the end of January. Please insure the recipient(s) and supporters from your unit attend the dinner to honor your awardee(s). Please limit the number of Mickey's per unit to 3 awardees
